PROTECT PREBORN CHILDREN IN THE WISCONSIN CONSTITUTION

The time to act is now!

We, the undersigned, call upon Wisconsinites to protect preborn children in our state constitution. Wisconsinites, born and preborn, deserve total and permanent legal protection of their right to life - an inalienable right grounded in natural law. It is the foremost duty of the state to protect its citizenry, especially those most vulnerable.

Pro-lifers across the nation have been galvanized by bold initiatives at the state and federal level to defend our preborn brothers and sisters. Wisconsin, too, should move forward and provide full and lasting legal protection to preborn children by enshrining the right to life in our state constitution.
